CHILD EVANGELISM
FELLOWSHIP®

Reaching children worldwide™

Sept/Oct 2023

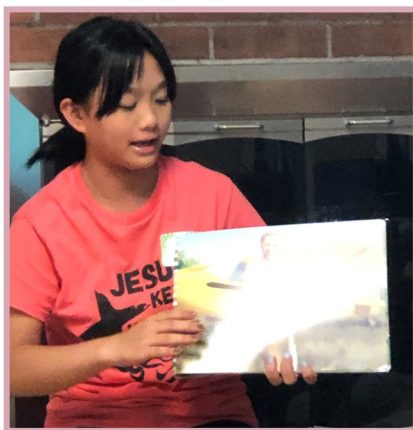

As breezes cool, the end of our ministry year in CEF comes to completion. The year finishes with the high point of Christian Youth in Action Training Camp (CYIA) and 5-Day Club®. Three teens volunteered to attend the training camp and lead a 5-Day Club. A fourth teen was able to volunteer at the club as well. At the end of summer vacation, Mrs. Ott offered her home in which we could have our 5-Day Club. Of the twelve children we

welcomed to club, about half were from Mrs. Ott's church and half were from the neighbors. The teens successfully held their first 5-Day Club! In the midst of fun and getting to know each other, the gospel of Jesus Christ was clearly shared, Bible lessons taught, scripture verses memorized, and energetic songs voiced. At the end of the week, all were sad to say farewell to each other — some for a week, and others perhaps for a year!

Our year ended up with a Good News Club® in four schools, a one-day Vacation Bible School, and a 5-Day Club as our formal outreaches.

The 25 people in our ministry teams shared with 76 children and 19 of the children prayed to receive the Lord Jesus as their Savior. We rejoice together with you as your prayers and support enable all of

this to occur. Most of these children were disciplined weekly in their Good News Clubs.

Good News Club season is upon us again. Teams need additional members and training for new and returning volunteers is upcoming. There are also new schools that it appears God is moving towards (if interest from individuals is any indication).

Please pray for:

- ⇒ volunteers (both returning and new) *"Then [Jesus] said to his disciples, 'The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'" —Matthew 9:37-38,*
- ⇒ Franklin Elementary, Peebles Elementary, Clairton Elementary, and perhaps even Central Elementary (in Elizabeth Forward School District),
- ⇒ partnering churches to adopt these schools,
- ⇒ additional prayer and financial partners to allow the ministry to continue and grow. The chapter needs at least \$1,500.00 per month in additional support. Please pray that the Lord will raise up the partners to cover the terrific progress we are seeing here.

Reach children through
Christmas Party Clubs

You along with your Bible study group, your church, or your Christian friends can choose to make the most of the Christmas season. The Christmas Party Club material is built to help you have an eternal influence in the lives of children in your community!

It is actually time now to schedule training for your team and plan for the materials you need for the Christmas Party Club. It will take time for you to plan everything. We want to assist you in every way possible.

Christmas Party Clubs are extremely portable and flexible. A club can be held anywhere children naturally gather. Ask if you might offer a club at a daycare center, an after-school care center, or at a couple different neighborhood homes. Let us know how we can help you make a huge difference in a child's life!
